"We had a wonderful experience this year! Our Tour Director was fantastic, and the itinerary was perfect as well. The only negative was the rain, which of course is unavoidable."

-Maria | Program Leader, Massachusetts

"I have worked with my Tour Consultant for many years now. He is the best! I appreciate his hard work. He signs on to my parent meetings and helps to put their minds at ease by answering all of their questions. He works with me in terms of the itinerary and always finds great Tour Directors who work well with our group. It was wonderful seeing him on this trip! I would recommend Jumpstreet to any other school district."

-Kristen | Program Leader, Rhode Island
